Dear PBA President:

The Quinn Law Firm is pleased to announce the establishment of a work relationship with McIntyre, Donohue, Accardi, Salmonson & Riordan, LLP, (“MDASR”) in an “of-counsel” capacity, to offer our clients further representation in the fields of New York State Workers’ Compensation, New York State Disability Retirements and Social Security Disability.

Injuries suffered in the course of police duty are unfortunately commonplace. When injuries occur on the job the only way to properly protect your rights and benefits is through sound and comprehensive legal representation. MDASR has represented injured workers for over 65 years and knows exactly what steps need to be taken to ensure you receive proper medical treatment and just compensation. MDASR has a proud and extensive history of representing law enforcement officers and unions in disability claims throughout the state. MDASR understands the unique challenges police officers face daily and are devoted to applying that extensive knowledge and experience to the comprehensive and effective representation of your rights as a police officer.

MDASR’s partners are recognized throughout New York for their work in the disability field. Sean Riordan heads up the Disability Pension Department for MDASR. Sean is widely recognized as an expert in accidental disability retirement applications/claims under New York Retirement and Social Security Law § 363 (commonly referred to as “three-quarter claims”). He specializes in representing uniformed personnel in their actions against the New York State Retirement System, and has won several precedent-setting cases. Edward McIntyre, a former Sergeant with the Suffolk County Police Department, is an authority on workers’ compensation benefits and a leading advocate for officers’ disability rights. Richard Donohue, MDASR’s managing partner, heads up the Workers’ Compensation Department and is considered one of the foremost authorities on workers’ compensation matters.

In addition to the five (5) Senior Partners, MDASR has twelve (12) associate attorneys and over sixty (60) staff members dedicated to serving their clients. MDASR will be utilizing office space in our White Plains location, to effectively serve the Westchester and Rockland law-enforcement communities.

MDASR’s website is <https://licomplaw.com>. The main contact number is (631) 665-0609, and they also have an app that can be downloaded to your members’ smart phones. To access the app, go to the “App Store” on your mobile device and search “MDASR LAW”. The app will give

your members access to a workers' compensation or disability expert instantly. Jim Seganti (866-557-7500) will be the main point of contact for our Westchester and Rockland members.

We look forward to working with MDASR to bring our clients' the best representation possible when faced with workers' compensation and disability issues.

Should you have any questions about the additional services available to your organization and its membership, please do not hesitate to contact our office.

Very truly yours,

*Andrew C. Quinn, Esq.*
